

Here are your 40 lbs and  
 on the Charlotte Pike 8 miles from Nashville  
 Dear Wife Dec 16<sup>th</sup> 64

After two days hard  
 fighting we have routed the enemy  
 & they are in full retreat  
 at Glasgow, Michigan (our)

We changed two lines of works  
 yesterday capturing many prisoners  
 - this last with two others taking nearly  
 a thousand with our loss Gen & four  
 pieces of Artillery

Our loss very small. One 2, killed  
 on the 1<sup>st</sup> & two wounded in the  
 also lost 2 L Grenades & slightly wounded

I am all right - feel first rate  
 only tired - for which I owe great  
 cause to the the fight - the battle of Dec.  
 13<sup>th</sup> & feel & the Army took to their  
 marks would we were right on to them  
 - send this to the folks in the families  
 for I shall not have time to write

There

We do not think they will show up  
this side of Laramie

Good bye dear one

The Major says, tell Mrs. Jackson  
the she & Jo are all right.
